With entries for the Covestone Asset Management Sovereign's Cup 2013, scheduled to take place from 26th to 29th June, well ahead of expectations, a number of highly regarded “rocket-ships” have already declared their intentions of setting the pace next June in the waters off Kinsale. UK-based entries feature prominently, together with a very healthy level of registration from the domestic IRC and White Sail fleets is sure to make this year's Sovereign's Cup a great success. The addition of the 1720 and Quarter Ton Fleets competing for their European and National Championships respectively will ensure a vibrant atmosphere both ashore and afloat.

A number of the entries received to date have registered their interest in and are already eyeing up the 'Triple Crown' Trophy.
