I'd like to try sailing in a (choose one of the following);

Dinghy (more hands-on and closer to the water, you might get wet but its great fun, there will be an instructor with you)

Keelboat, sailing in a small & fast boat with a rudder, you will get sprayed but not wet, again instructor led and great fun

Yacht, no explanation needed, you'll only get wet if you spill your drink!

€10 Booking fee, all proceeds to Action Breast Cancer.
