NORTH SAILS REGATTA SERVICES

NORTH SAILS IS ALWAYS ON YOUR TEAM

The RCYC is delighted to be running a training initiative in partnership with North Sails Regatta Services, which will be open to all competitors of the CH Marine Autumn Series commencing on **Sunday, October 1st.**

North Sails has partnered with Cork's Isla Media, and will be active on the water before and during racing. The team will offer trim and set up advice before the start, and after the Flag drops they will film the racing and prepare a full debrief in the clubhouse .

The North Sails team will consist of Nigel Young, Maurice "Prof" O'Connell and our newest member, Shane Hughes. Nigel and Shane will be in the coach boat and Prof will be racing onboard Jump Juice, offering a "view from the race course" analysis.
