6 CLASSES

6.1 All classes except for sportsboats must clearly display their designated Class flag from their stern at all time whilst racing. Any boat not doing so may be scored DNF without a hearing. This changes RRS A5. 1720s need not display a Class Flag.

6.2 The anticipated Class Divisions are as follows:

Class		Class Flag
0	TCF 1.020 and above	Numeral Pennant 0
1	TCF 0.930 to 1.019	Numeral Pennant 1
2	TCF 0.929 and below	Numeral Pennant 2
1720		ICF "R"
White Sail 1	TCF 0.950 and above	Green
White Sail 2	TCF 0.949 and below	White

6.3 The Race Committee reserve the right to place yachts in different Classes at their discretion and with reference to the speed of the boats and to the number of entries in any Class.

6.4 Classes and courses may be combined, if, in the opinion of the Race Committee, the number of entries does not warrant a Class or course of their own.

6.5 Class starting order will be displayed on the committee vessel.

6.6 If Code Flag "Y" is displayed on the CV before the start of a 1720 race this indicates that small sails are to be used in that race and in all subsequent races until the flag is no longer displayed. This only applies to the 1720 fleet.

7.2 The following are the expected race areas for each fleet.

- The following areas are designated as exclusion zones:
Within 50 metres of the oil refinery jetty.
Within 100 metres of any commercial shipping
- 10.1** A yacht that has, in the opinion of the OA, been in breach of point 10 of these sailing instructions may be disqualified from the race that she is competing in during the incident or from her next race if she is not

racing at the time of the incident or for the remainder of the regatta.

- 10.2 All competitors should be aware of Junior sailing going on in the harbour and are advised to avoid sailing into their racing areas at all times.

The location of the finish line will be advised to the relevant fleet and may vary for each race depending on the course chosen. (NOTE: The Start line for the next race may be in position during the finish of a race, boats are to finish between the finish mark and CV and **NOT** the start Mark and CV).
Please note that the finish for the second scheduled race of each day for the Outside Course may be within Cork Harbour.
- 12.2 The finishing line for the B Fleet will be between the red and white pole on the CV and an orange finishing mark or an adjacent harbour mark. The location of the finish line will be advised to the relevant fleet and may vary each race depending on the course chosen.
- 12.3 If a race is to be shortened at the start/finish line, the signal shall be the display of Flag "F" with repetitive sound signals at a mark on the course. Having rounded that mark, boats shall proceed directly to the finishing line and finish by crossing the line from the direction of the last mark. This is in addition to RRS 32.2
- 13 TIME LIMITS AND TARGET TIMES**
- 13.1 When a COASTAL race has been indicated the time limit is 4 hours or 1 hour after the first boat in that class finishes, whichever is later.

- 13.2 All other races have a time limit of 2 hours.
- 13.2.1** Boats failing to finish within 45 minutes after the first boat in that start sails the course and finishes will be scored Did Not Finish without a hearing. This changes rules 35, A4 and A5.

13.3 At the complete discretion of the RO these time limit may be extended and if so the new time limit will be announced over the VHF.

14 PROTESTS AND REQUESTS FOR REDRESS

14.1 Protest forms are available at the race office located in the RCYC Club House. Protests and requests for redress or reopening shall be delivered there within the appropriate time limit.

14.2 In addition to the requirements of RRS 61, boats who intend to protest another boat are required to inform the CV of their intention to protest, and the boat name or sail number of the intended protestee, as soon as possible after finishing and in any event not before leaving the vicinity of the finish line.

14.3 For each Class, the protest time limit is 90 minutes after the last boat in that class has finished the last race of the day.

14.4 Notices will be posted no later than 30 minutes after the protest time limit to inform competitors of hearings in which they are parties or named as witnesses. Hearings will be held in the protest room, located at the RCYC Club House, beginning at the time posted.

14.5 Notices of protests by the race committee or protest committee will be posted to inform boats under rule 61.1(b).

14.6 On the last scheduled day of racing a request for reopening a hearing shall be delivered

(a) within the protest time limit if the requesting party was informed of the decision on the previous day;

(b) no later than 30 minutes after the requesting party was informed of the decision on that day.

14.7 On the last scheduled day of racing a request for redress based on a protest committee decision shall be delivered no later than 30 minutes after the decision was posted. This changes RRS 62.2.

14.8 Breaches of SI 4.1, SI 6.1 and SI 17 will not be grounds for protest by a boat or entrant. This changes RRS 60.1 (a). Penalties for these breaches may be less than disqualification if the protest committee so decides.

15 MEDIATION

As an alternative to a full Protest hearing a Mediation System may be used. When all Parties to an incident(s) agree the Protest(s) may be decided by a Protest Mediator and his/her decision shall be final. This replaces the requirements of RRS 63. Having decided that the Protest(s) is valid the Mediator shall have total discretion on the question of witnesses etc., but shall give all the parties an opportunity to state their case. The Mediator has the right to terminate the Mediation process at any time and refer the matter to a full Protest hearing. Otherwise he/she shall reach a decision.

The advantage of this process is that any rule infringement will result in a 25% place penalty rather than a disqualification in the event of a full Protest hearing. The place penalty shall be subject to a minimum of 3 places but it shall not exceed the score of a disqualification. Any penalty shall not affect the score of other competitors. Competitors rights under RRS 66 shall not be affected.

16 SCORING

16.1 The Low Point System of RRS Appendix A will apply.

16.2 3 races are required to be completed to constitute a series.

16.3 (a) When fewer than 5 races have been completed, a boat's series score will be the total of her race scores.

(b) When 5 or more but less than 12 races have been completed, a boat's series score will be the total of her race scores excluding her worst score.

(c) When 12 or more races have been completed, a boat's series score will be the total of her race scores excluding her worst two score.

(d) A boat's combined score each day will be used as the basis for daily prizes throughout the Regatta.

16.5 For all classes, races will be scored as part of the SCORA league.

17 SAFETY REGULATIONS

A boat that retires from a race shall notify the race committee as soon as possible.

18 EQUIPMENT AND MEASUREMENT CHECKS

18.1 A boat or equipment may be inspected at any time for compliance with the Class rules and sailing instructions. On the water, a boat can be instructed by a race committee equipment inspector or measurer to proceed immediately to a designated area for inspection.

18.2 For White Sail Classes: only one headsail and one mainsail per day to be used. Sail identification number required on mainsail. Gennakers, bloopers, spinnakers, code zero or similar sails are prohibited.

18.3 No boat shall carry its anchor protruding from bow whilst racing.

18.4 Entries in White Sail Classes may **not** make use of any whisker pole, spinnaker pole, or any other such device to hold headsails at any stage.

19 RADIO COMMUNICATION

19.1 Except in an emergency, a boat shall neither make radio transmissions while racing nor receive radio communications not available to all competing boats. This restriction also applies to mobile telephones.

19.2 Race Area VHF Channels

(a) VHF Channel 71 will be used for race management for the A Fleet

(b) VHF Channel 69 will be used for race management for the B & C Fleet

19.3 Courses may be announced on the designated VHF channels prior to starting sequence of that Class.
