- a) They are aware of the inherent element of risk involved in the sport and accepts responsibility for the exposure of themselves and their crew to such inherent risk while taking part in the event.

Addendum A, Damage Assessment, is on the next page.

## **Addendum A – Damage Assessment**

Competitors should show due care and attention to the boats that are provided for their use during the event. Damage to boats causes conflict, delay and impacts everyone involved. This Addendum intends to help minimise damage while ensuring that penalties are consistent; ultimately providing more racing at less cost for everyone.

RRS D2.3 and D3.1 permit the umpires or protest committee to decide the penalty when a boat breaks RRS 14. This document explains how damage will be assessed and gives general guidance on the appropriate penalty. When the protest committee has good reasons to do so, it may apply a different penalty.

### **1. DAMAGE AGREEMENT**

- 1.1. By entering the event, the team expressly agrees to follow and comply with this system without delay or dispute. A failure to comply with an instruction or invoice issued may result in disqualification from the series without a hearing. This changes RRS 63.1.
- 1.2. Each team is liable for up to €300 of damage associated costs per incident (this includes boats, equipment and property). A deposit for this amount will be required at registration and before a team may sail.
- 1.3. Any decision on the allocation and quantum of any damage associated costs is solely for the Organising Authorities to determine. Subject to rule 62, the decision of the Organising Authorities is final and teams agree to accept it without dispute.

### **2. DAMAGE ASSESSMENT**

- 2.1. An initial assessment of the damage level will be made on the water as soon as possible following a racing incident.
- 2.2. The initial assessment is for the purpose of Penalties only and is not linked to any damage associated costs which may subsequently be allocated to a Team. Onward assessment of the damage level after further inspection, whether it turns out to be higher or lower, will have no effect on the penalty given by the protest committee but may affect any damage associated costs.

### **3. PENALTIES**

- 3.1. The protest committee may impose a Penalty to the team of boats that break rule 14. Penalties of half a race win or more may be applied to a team's race score in the race in which damage occurred or the race sailed nearest in time to that of the incident.

### **4. DAMAGE COSTS**

- 4.1. The Race Committee may require a team to make an intermediate payment, to the amount defined in this addendum; against allocated damage costs before the team may sail another event boat
- 4.2. If a team is required to pay damage costs, and these are not paid at the event, the Organising Authorities will issue an invoice to the skipper. Invoices must be paid (without set off or deduction) within 14 days unless an extension is agreed with the Organising Authorities.
- 4.3. Failure to pay a damage invoice within 14 days (or any extension period) is a breach of this addendum and the Organising Authorities may:
  - 4.4. add an administrative fee of €50 per invoice to cover the costs of chasing payment.
  - 4.5. disqualify the team in question without a hearing, this changes RRS 63.1;
  - 4.6. report the team members to the Protest Committee for investigation under RRS 69
  - 4.7. reject any future entries from the; Team; or Team's club; or Team's organisation.
5. The Organising Authority may amend or cancel a damage notice at any time and may

reinstate a team disqualified.
