THE PRINCE OF WALES'S 300TH ANNIVERSARY TROPHY

The overall race winner will be the inaugural recipient of a specially commissioned perpetual trophy donated by His Royal Highness, The Prince of Wales, to the Royal Cork Yacht Club to mark its 2020 tricentenary and recognise the very close relationship between the sailing communities of the United Kingdom and Ireland.

1. RULES AND REGULATIONS

1.1 Racing Rules of Sailing

The race will be governed by the rules as defined in the Racing Rules of Sailing ('RRS'), the prescriptions of RYA, the IRC Rating Rule 2022, and the World Sailing Offshore Special Regulations.

In the event of a conflict with the Notice of Race, the Sailing Instructions shall prevail.

Each yacht is required to carry a Category 2 liferaft of sufficient size to cater for the total number of crew on-board and holding a valid in-date service certificate. Please note amendments to the regulations that are effective from 1st January 2022 (for example rules 3.02.2, 3.02.3 and 3.02.4 which relate to the requirement for an out of the water structural inspection).

1.3 IRPCAS

Between local sunset and sunrise, RRS Part 2 shall cease to be applicable and be replaced by IRPCAS ("International Regulations for Preventing Collisions at Sea"). The penalty for an infringement under IRPCAS shall be a scoring penalty as detailed in the Sailing Instructions.

1.4 Advertising

Boats may be required to display advertising chosen and supplied by the OA.

2. ELIGIBILITY

2.1 Boat & Crew

The race is open to prepared and seaworthy boats, manned by an adequate number of experienced crew, and meeting the following criteria:

- i) Are of monohull construction with a minimum length overall of 30ft
- ii) Have a valid 2022 IRC Rating certificate issued no later than 1700hrs on Wednesday 29th June 2022

2.3 Automatic Steering – Double Handed

Automatic or wind-vane steering is permitted (this changes RRS 52) for participants racing as Double Handed entries. Such entries must satisfy the OA that they have suitable and adequate experience and that their boat is appropriately organised for two-handed sailing.

2.4 Rating

All entries shall email a copy of the boat's 2022 IRC certificate to racing@corkweek.ie by 1700hrs on 30th June 2022. Any late submissions, or changes made to a boat's rating or class certificate, made after this deadline shall be accompanied by an explanatory letter and will be accepted at the sole discretion of the OA.

3. OSR COMPLIANCE

Under RRS 3 the responsibility for a boat's decision to participate in a race or continue racing is hers alone. The safety of a boat and her crew is the sole and inescapable responsibility of the Person in Charge who shall do their best to ensure that the boat is fully found, thoroughly seaworthy and manned by an experienced and appropriately trained crew who are physically fit to face bad weather. The Person in Charge shall also assign a person to take over their responsibilities in the event of their incapacitation.

Neither the establishment of the Offshore Sailing Regulations nor their use by the OA nor the inspection of a boat under the OSR, in any way limits or reduces the complete and unlimited responsibility of the Person in Charge. The OA will endeavour to help competitors to understand the requirements OSR in advance of the event and should be contacted at racing@corkweek.ie with any queries.

All entries shall complete an OSR Category 3 Checklist and a declaration stating that the boat is compliant with the required World Sailing Special Offshore Regulations.

Completed forms should be provided to racing@corkweek.ie by 1700hrs on 30th June 2022.

The OA reserves the right to conduct an OSR inspection on any boat at any time.

A boat that accepts a penalty shall declare same on their submitted Declaration Form.

Competitors participate in the regatta entirely at their own risk. See RRS 4, Decision to Race. The organising authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the race.

Yacht racing can be dangerous. The attention of Persons in Charge is drawn to RRS Fundamental Rule 4:

"The responsibility for a boat's decision to participate in a race or to continue racing is hers alone" and to Special Regulation 1.02.1 which begins: "The safety of a yacht and her crew is the sole and inescapable responsibility of the Person in Charge...."

Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the race, each competitor agrees and acknowledges that:

- a) they are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event
- b) they are responsible for the safety of themselves, their crew, their boat and other property, whether afloat or ashore
- c) they accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions
- d) their boat is in good order, equipped to sail in the event and they are fit to participate
- e) the provision of a race management team and other officials and volunteers by the event organiser does not relieve them of their own responsibilities
- f) they are responsible for ensuring that their boat is equipped and seaworthy so as to face extremes of weather; that the crew is sufficient in number, experience and fitness to withstand such weather; and that the safety equipment is properly maintained, stowed, in date and familiar to the crew

13. INSURANCE

It is the duty of each boat owner to have his/her boat adequately insured against any risk, including civil responsibility to third parties and to ensure that such insurance remains valid for the entirety of the race.

14. COVID Statement

By taking part in the race, each competitor agrees and acknowledges that they are responsible for complying with any regulations in force from time to time in respect of COVID-19 and for complying with the Royal Cornwall Yacht Club and Royal Cork Yacht Club COVID-19 procedures, should there be any at the time. Competitors and support persons shall comply with any reasonable request from an event official. Failure to comply may be deemed misconduct. Reasonable actions by event officials to implement COVID-19 guidance, protocols or legislation, even if they later prove to have been unnecessary, are not improper actions or omissions.
