Traffic Management

RIBs

All RIBs must be launched from the main club slip by 9am – Otherwise RIBs can be launched from the public slip (Just past Crosshaven Boatyard).

A One-way system will be in place for launching RIBs as outlined in Red in the event map. Please come in the Car Park Entrance gate and proceed along the waters edge until you reach the event office, once launched please exit the slip as soon as possible. Trailer storage (unsecured) is available directly across the road from the main slip on two levels (directions denoted in yellow on event map).

Dinghy Trailers

Please unload your dinghy trailer in the car Park as quickly as possible, move the Oppie to its location as noted on the map and move the trailer to the Trailer storage area to leave the Car park free for Cars for the event.

CamperVans.

Please Contact the Marina Manager/Senior Ferry Boy on arrival to identify your pitch (all on Tarmac). Booking via the Club Office is essential as space is limited.

Tents

The area for tents is on the Lawn on the Eastern end of the Club – Booking essential via the Club office as space is limited and availability will be subject to weather conditions.
